

RISE TOGETHER

MOMENT OF SOLIDARITY 11AM & 2PM

On September 8, we'll mark the beginning and end of the march with a moment of silence and a song.

MOMENT OF SILENCE

THE CUE:

We'll repeat the word "REMEMBER" five times

MOMENT OF SILENCE:

On the 5th "REMEMBER" we'll all sit down and touch the Earth. We'll remain down for 2 minutes of silence while we remember those impacted by climate change and injustice — and remember our connection to the Earth

RISE + SING

THE CUE:

Follow song leaders singing "Voice of My Great Granddaughter" as we physically rise up from the ground together.

LYRICS: SING 5 TIMES

*The people gonna rise like the water
Gonna calm this crisis down
I hear the voice of my great granddaughter,
singing 'Keep it in the Ground'*

MELODY:

Learn the song with the help of a video! Find "[Voice of my Great Granddaughter: Peace Poets](#)" on YouTube.

After 11am Rise Together Moment: Indigenous Contingent officially starts the march, singing "Women Warrior" song.
Before 2pm Rise Together Moment: Everyone steps back from street murals for massive group (people and mural) drone photos, in conjunction with the Rise Together Moment.
